Recruitment of external experts that will substantially examine all applications for co-financing for scientific projects

The Medical Research Agency announces recruitment for external experts that will substantially examine the applications for co-financing of scientific projects. The recruitment is a continuous process. People interested in cooperation in the relevant scope should read the Regulations for recruitment and cooperation with experts and send:

application for entry in the register of candidates

declaration of a candidate for an expert of the Medical Research Agency

Scans of the documents signed by the candidates should be sent to the email address: piotr.gozdek@abm.gov.pl or with a registered letter to the address: Medical Research Agency, ul. Stanisława Moniuszki 1A, 00-014 Warsaw

All the necessary information on the recruitment may be obtained from Monday to Friday, between 8:15 and 16:15, from:

Ms. Eunika Książkiewicz – tel. 22 270 70 51

Mr. Piotr Gozdek – tel. 22 270 70 54
